Description

- □Natural, Realistic Artificial Grass – Lush, thick, soft to the touch, and featuring realistic colors and tones that look like real grass, our artificial turf is perfect for enhancing the look and feel of any living space.
- □Multipurpose Carpet, Rug, and Mat Use – California Indoor and outdoor artificial grass can be used to cover decks, patios, apartment balconies, and other lawn and landscape areas for convenient versatility.
- □Built-In Drain Holes – The bottom of our artificial grass carpet features small holes to help water or liquids drain through without pooling.
- □Short, Well-Manicured Length – Our artificial turf is approximately 1.5" in height to give them a softer, yet neatly-manicured look.
- □BEST CHOICE IN ARTIFICIAL GRASS: Make perfect well-manicured look. 10 years of hassle-free customer service with 30 days return policy in order to ensure your 100% purchase satisfaction.
